

## SHC Summary of Climate Change Organisations (National and International)

Organisations	Definition
<p>350 <a href="https://350.org/about/">https://350.org/about/</a></p>	<p>An international organisation of ordinary people working to end the age of fossil fuels, and build a world of community led renewable energy for all. The group was named after 350 parts per million – the safe concentration of carbon dioxide in the atmosphere.</p> <p>Individuals can sign up. There is no fee, but they requests a one-off or monthly donation</p>
<p>Centre for Alternate Technology <a href="https://www.cat.org.uk/">https://www.cat.org.uk/</a></p>	<p>CAT is an educational charity dedicated to researching and communicating positive solutions for environmental change, all aimed at achieving a Zero Carbon Britain. They are based in North Wales.</p> <p>Individuals can join (£30 per annum, concessions available), or subscribe their newsletter</p>
<p>Client Earth <a href="https://www.clientearth.org/">https://www.clientearth.org/</a></p>	<p>An environmental charity with a unique approach - they use the law to create powerful change and a future where people and planet thrive together.</p> <p>Individuals can join (suggested £15 per month payment), or subscribe their newsletter</p>
<p>Friends of the Earth <a href="https://friendsoftheearth.uk/about/climate-action-groups">https://friendsoftheearth.uk/about/climate-action-groups</a></p>	<p>Friends of the Earth are part of an international community dedicated to protecting the natural world and the wellbeing of everyone in it. They lead campaigns, provide resources and information, and drive real solutions to the environmental problems facing us all.</p> <p>Individuals can join local groups, there is no fee Or you can sign up for e.mails</p>
<p>Green Christian <a href="https://greenchristian.org.uk/">https://greenchristian.org.uk/</a></p>	<p>A community of ordinary Christians from all backgrounds and traditions who work to care for Creation through prayer, living simply, public witness, campaigning and mutual encouragement.</p> <p>Individuals can join (suggested £2 per month payment), or subscribe their newsletter</p>
<p>Greenpeace <a href="https://www.greenpeace.org.uk/">https://www.greenpeace.org.uk/</a></p>	<p>Greenpeace is a movement of people who are passionate about defending the natural world from destruction. Their vision is a greener, healthier and more peaceful planet, one that can sustain life for generations to come. They are independent, and don't accept any funding from governments, corporations or political parties, and that means they are free to confront governments and corporations responsible for the destruction of the natural world and push for real change.</p> <p>Individuals can join, and are requested to make a one-off or monthly donation. Or you can sign up for e.mails.</p>
<p>Possible</p>	<p>At Possible, we want to see a zero carbon society, built by and for the people of the UK, and we want to see this fast. Our small team works across the UK supporting people and groups across the UK doing bold, beautiful things to tackle climate change.</p> <p>Individuals can join, there is no fee</p>

## SHC Summary of Climate Change Organisations (National and International)

Organisations	Definition
<p>The Climate Coalition <a href="https://www.theclimatecoalition.org/">https://www.theclimatecoalition.org/</a></p>	<p>The UK's largest group of people dedicated to action against climate change. They are a group of over 140 organisations — including the National Trust, Women's Institute, Oxfam, and RSPB — and 22 million voices strong. They are reaching across the UK to show their love for all the things we want to protect from climate change, and to ask politicians to put aside their differences and commit to doing whatever is necessary to protect them. SHC is a member of this organisation.</p> <p>Individuals can sign up to support their “The Time Is Now” campaign, and sign up to receive e-mails</p>
